Dr. Mary Manz Simon—MC OF AMIGOS CENTER'S 7TH ANNUAL FUNDRAISING LUNCHEON

Our theme this year “Children of Amigos” focuses our attention on the children of the immigrant adults that we have helped through both our social services, legal immigration services and our church ministry. Amigos Center is very fortunate to have Dr Mary Manz Simon serve as the Master of Ceremonies for our 7th Annual Fundraising luncheon. With sales of more than 3 million books, Dr. Mary Manz Simon combines her training as an early childhood educator, insights as a corporate consultant and children's market analyst, and experiences as a mother and grandmother, to provide a wide range of services and presentations to audiences and companies.

First Amigos Center Humanitarian Award Honoree: Dr. Daniel Dosoretz CEO, 21st Century Oncology

As a successful immigrant who overcame many obstacles to achieve a highly successful life in the United States, Amigos Center has selected Dr. Daniel Dosoretz as the first Amigos Center Humanitarian Award Honoree.

Dr. Daniel Dosoretz earned his medical degree from the University of Buenos Aires School of Medicine, graduating with the highest honors gold medal for his class. He has served as President of the Lee County American Cancer Society and is a member of the American Cancer Society's peer review committee and state-level research committee in Florida. Dr. Dosoretz is an author of radiation therapy and cancer treatments textbook chapters and a contributor to more than 90 medical journal articles.

Mindful of his roots as an immigrant to the United States, Dr. Dosoretz has generously supported the efforts of Amigos Center to provide immigrants to Southwest Florida with the tools to be successful and contributing members of our community.
